Oro Valley Holding Open House on La Canada Widening

ORO VALLEY, ARIZ (June 29, 2007) —The Oro Valley Public Works Department has scheduled a public open house for the La Cañada Widening project. The event will be held at the Oro Valley Town Center's Hopi Conference Room, 11000 N. La Canada Drive, on July 12, 2007 from 6 to 8 p.m. A presentation of the project will be held at 6:30 p.m.

The project will consist of widening the segment of La Cañada Drive between Naranja Drive and Tangerine Road to four lanes. A multi-use path and sidewalk will be provided for pedestrian and bicycle use in the current plan.

This meeting will be the final open house prior to the start of construction. Public Works and Oro Valley Water Utility staff members and representatives from Kittelson & Associates, Inc. will be on hand to discuss issues regarding the widening, along with reclaimed water utility lines that will be installed prior to roadwork.
