For Immediate Release

MEDIA TRAFFIC ALERT

WHO The Town of Oro Valley Public Works Department

WHAT As part of the La Cañada widening project between Tangerine Road and Naranja Drive, Foxfire Street and Silverleaf Drive will be closed on Thursday and Friday in order for the northbound lanes on La Cañada to be paved. On Monday, Nov. 10, message boards will be out to notify drivers.

Residents that use Rain Rock Way will not have direct access from La Cañada and should use an alternative entrance to Copper Creek. They may experience minor delays and/or changes in traffic control on Silverleaf Drive to provide access to Rain Rock Way.

Northbound and Southbound traffic will remain the same, but may experience minor delays as the asphalt trucks access the paving operation.

The intersection of La Cañada Drive and Naranja Drive will experience lane restrictions and minor delays on Monday, Nov. 17 in order to pave. Traffic will be maintained in all directions at the intersection.

WHEN Thurs., Nov. 13, Fri., Nov. 14 & Mon., Nov. 17
