LIST MODEL OPTIONS (If Applicable)		DATE OF APPLICATION ____/____/____

NOTICE: §R105.1, IRC or §105.1, IBC Required. Any owner or authorized agent who intends to construct, enlarge, alter, repair, move, demolish, or change the occupancy of a building or structure, or to erect, install, enlarge, alter, repair, remove, convert or replace any electrical, gas, mechanical or plumbing system, the installation of which is regulated by this code, or to cause any such work to be done, shall first make application to the building official and obtain the required permit.

Application for which no permit is issued within 180 days following the date of application shall expire by limitation regardless of the status of the application, and plans and other data submitted for review may thereafter be returned to the applicant or destroyed by the building official. An extension may be requested in writing prior to expiration.

A permit becomes null and void if work or construction authorized is not commenced within 180 days or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. An extension may be requested in writing prior to expiration.

I hereby certify that I have read and examined this application and know the same to be true and correct. I am the owner of the property or the owner's authorized representative, and if not the owner, I have obtained the owner's permission to perform stated work. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
