

## DEVELOPMENT SERVICES PENALTY SCHEDULE

### General

Penalty \$ 2,500 maximum per violation; per day

Mitigation as determined by Planning and Zoning Administrator. Mitigation will be covered by assurances.

### Native Plant Salvage Violations

By Protected Plant

Trees and Shrubs	\$	600	per caliber inch, measured per Code
Saguaro	\$	400	per foot of main trunk plus arm(s)
Crested Saguaro	\$	800	per foot of main trunk plus arm(s)
Other Cacti	\$	300	per caliper inch up to 12"
additional caliper inches	\$	50	per caliper inch over 12"

Where no accurate count is possible, estimates of destroyed plants will be based on aerial photographs and field surveys of comparable areas.

No maximum fine. A citation is required. Mitigation by revegetation to natural state or by providing comparable revegetation at an alternate site as designated by the Planning and Zoning Administrator. Mitigation will be covered by assurances equal to 120% of the estimated cost of mitigation.

### Grading Violations

\$ 1 per squarefoot in addition to NPS penalty

No maximum fine; \$1000 minimum fine. Mitigation by restoration to natural contours and by providing any necessary erosion control. Mitigation will be covered by assurances.

### Sign Violations

\$ 100 per sign; per day

No maximum fine.

#### General Note

Any permit fees will be doubled for permits issued subsequent to a violation due to lack of a permit.
