3 OF **5**

This criteria has been developed to ensure that sign colors, design and placement shall be complementary and integral to the project's architectural and site design themes

Tenant signage has been designed to enhance the character of the center. The Tenant shall gain approval from both the landlord and the Town prior to installation, to ensure compatibility with the architectural design and colors of the center.

The addition of new multi-tenant monument signs will increase the visibility and exposure of tenant names, since most tenants are not visible from the right-of-way.

Sign permits must be obtained from the town of Oro Valley.

TENANT STOREFRONT SIGNAGE CRITERIA

1. Type of signage: Illuminated Pan Channel Letters, or Reverse Pan-Channel Letters mounted 1.5" off building fascia, depth no greater than 8".
2. Letter face colors to be bronze, black, red, white, orange, blue, green, yellow, patina. Registered trademarks and logos are allowed.
3. Return colors to match faces.
4. Logos may be 35% of total allowed sign area.
5. Maximum Letter Height:
 - Leased area up to 2,000 s.f.: 24"
 - Leased area 2,001-6,000 s.f.: 36"
 - Leased area 6,001 - 12,000 s.f.: 48"
 - Leased area 12,000+ s.f.: 72"
6. All electrical signs shall conform to National Electrical Code Standards and Uniform Building Code Standards. .
7. All sign bolts, fastenings, sleeves, and clips shall be of hot dipped galvanized iron, stainless steel, aluminum, brass, or bronze and no black iron material of any type will be permitted.
8. No labels shall be permitted on the exposed surface of signs, except those required by local ordinance. Those required shall be applied in an inconspicuous location.
9. Any penetrations of the building structure required for sign installation shall be neatly sealed in a watertight condition.
10. All exposed metals shall be painted to render them inconspicuous.
11. No exposed tubing, conduit, or raceways will be permitted. All conductor, transformers, and other equipment shall be concealed.
12. All electrical signs shall bear the UL Label and be mounted on top of letters.
13. Door and window graphics shall conform to the standards of the Oro Valley Zoning Code.
14. Wall sign size and quantity for all tenants will follow Oro Valley Zoning Code standards. No sign to exceed 80% of store leased front. Maximum sign area to be no greater than one hundred fifty (150) square feet. Elevations further than three hundred (300) feet from Right-of Way may have no more than one and one-half 1.5 square feet not to exceed a maximum of two hundred (200) square feet.
15. Letter style and color shall be subject to approval by the Landlord.
16. No wall signs will be allowed on the West or South side that faces adjacent residential properties.

FREESTANDING SIGNS CRITERIA

The design of all monument signs and panels are subject to review and approval by landlord. All freestanding signs shall be "monument" style and must be compatible with the architecture of center.

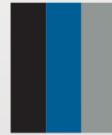

1. Monument sign locations and quantity will follow Oro Valley Zoning Code standards
2. Signs shall be located in such a manner which will not present any traffic hazards.
3. The maximum sign area for each sign is 72 square feet.
4. The maximum height of each sign is ten (10) feet above grade with two (2) foot architectural element at the top of the sign.
