

**COMMERCIAL WATER INFRASTRUCTURE  
PERFORMANCE BOND**

**KNOW ALL PERSONS BY THESE PRESENTS:**

That we, \_\_\_\_\_, as Principal, and \_\_\_\_\_, a corporation as Surety, duly licensed to conduct a general surety business in the State of Arizona, are held and firmly bound unto the TOWN OF ORO VALLEY, as Obligee, in the penal sum of \_\_\_\_\_ Dollars (\$\_\_\_\_\_), for which payment, well and truly to be made, we bind ourselves, our heirs, successors, executors and administrators, jointly and severally, firmly by these presents.

**WHEREAS**, Principal and Obligee have entered into an Assurance Agreement for Completion of Improvements (the Agreement), dated \_\_\_\_\_, whereby Principal has agreed to install and complete certain water infrastructure improvements, as a condition to approval of OV# \_\_\_\_\_, which Agreement is hereby referred to and made a part hereof; and

**WHEREAS**, Principal is required under the terms of the Agreement to furnish a guaranty for the faithful performance of specified water infrastructure improvements as described in Exhibit "A", attached hereto.

**NOW, THEREFORE**, if Principal shall, at its own cost and expense, at or within the time required under the Agreement, faithfully install and complete the construction improvements in substantial compliance with the plans and specifications for such improvements, then this obligation shall be void; otherwise this Agreement shall remain in full force and effect, subject to the following conditions:

1. The Town may take steps to utilize the assurances, upon the occurrence of any of the following:
  - a. In order to abate any unsafe or illegal conditions as determined by the Water Utility Director, Town Engineer, Building Official, Planning and Zoning Director or their successors or assigns.
  - b. Failure of the Principal to cure a violation within ten (10) days after a violation notice has been issued.
  - c. When, in any other way, the Principal or their agent fails to follow the approved plan and does not correct the situation within sixty (60) days of notice by the Town.
  - d. Abandonment of the Project. A project will be presumed abandoned when there has been no development activity for six (6) months as determined by the Water Utility Director.

2. In the event that the Principal or its agents fail to complete the improvements pursuant to Section 26.6 of the Oro Valley Zoning Code Revised (OVZCR), the Water Utility Director shall issue a notice to the property owner and Principal of the assurances of pending forfeiture of assurances.
  - a. The Principal shall respond to the Water Utility Director in writing within ten (10) days of receipt of the notice to request a hearing with the Water Utility Director, otherwise forfeiture shall occur.
  - b. Upon a determination by the Water Utility Director or his/her designee, the Town may utilize the assurances for completing the water infrastructure in accordance with OVZCR, Section 26.6.
3. This bond shall remain in full force and effect until (a) the improvements have been installed and accepted by Obligee, or (b) the release and surrender of this bond by Obligee, whichever shall first occur.
4. Surety hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the Agreement, the work to be performed hereunder or to the specifications relating to the improvements shall, in any way, affect its obligation on this bond, and Surety does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Agreement, the work or the specifications.
5. As part of the obligation secured hereby and in addition to the penal sum specified hereunder, there shall be included costs and reasonable expenses and fees, including reasonable attorneys' fees, incurred by Obligee in successfully enforcing such obligation, all to be taxed as costs and included in any judgment rendered.
6. No right of action shall accrue hereunder to or for the use of any persons, firm or corporation, other than Obligee. The rights and obligations under this bond are for the exclusive benefit of Obligee and may not be assigned, hypothecated or transferred for any purpose, unless consented to in writing by Obligee and executed by Principal and Surety.
7. Surety waives any defense related to the impossibility, illegality, incapacity, bankruptcy or receivership of Principal in connection with the obligation of Principal hereunder and Surety further expressly waives any defense to the extent that it may require the Obligee to proceed against the Principal as a condition precedent to any claim or demand hereon.
