## Well done, OV— Vistoso is preserved for all to enjoy!

On February 17, just after the March Vista had gone to press, the Town announced the purchase and final settlement of the former Vistoso Golf Course. Mayor Winfield, in his February 23 article in the Explorer Newspaper, stated what a big win this is for the entire community. Town officials helped navigate a complicated, multi-agency agreement, in partnership with The Conservation Fund. The Town is budgeting funds in FY 22/23 for safety improvements on the 202-acre property including repairs and upgrades of paved pathways, reopening the restrooms and general maintenance so that the land can be utilized for passive recreational activities such as walking, biking and birding. The Conservation Fund will maintain ownership of the property until sometime this summer. Thank you to everyone who played a role in preserving this open space for everyone to enjoy!
