Oro Valley's Path Forward—The 2026 General Plan

SCAN ME

What types of housing do you envision in OV's future? How should the remaining land zoned for development be used? The answers need to come from the community. [Click here](#) to register online today by or visit at www.OVPathForward.com to help shape OV's future.

OV's Path Forward is a 10-year plan that will reflect the community's vision and goals. Your participation is critical. Join this effort in the community or go online to discuss important topics such as housing, economic development, public safety, environment, water and more.

State of the Town Address now available online

Mayor Joe Winfield delivered his fifth State of the Town Address to a record crowd of more than 700 people at the Hilton El Conquistador Resort on Oct. 25. He shared a message about the momentum created by a year of successful initiatives, projects and partnerships. This momentum will carry Oro Valley into the important year that lies ahead, which includes the public engagement process for the 2026 General Plan, OV's Path Forward. A video of the event is now available online. [Click here](#) or visit orovalleyaz.gov and type **STATE OF THE TOWN** into the search bar. This annual event is hosted by the Oro Valley Chamber of Commerce.

NARANJA PARK EXPANSION PROJECT

Concrete work continues as 98 pole foundations are being completed and significant progress is made on the sidewalks and curbs around the parking lots. Grading work is ongoing in the parking areas, and along Musette Drive, north to Tangerine Road. These photos show vertical curb being installed with a curb machine. This section of Musette will also be paved by the end of December. The pickleball courts have been constructed, with painting and net installation to follow. Splash pad construction is underway with the underground piping being installed for each of the features. Skate park construction will begin once the drain piping and underground improvements in that area are completed.
