KEEP OV BEAUTIFUL

If your group or organization is looking for a great service project, then check out Keep OV Beautiful. This new program makes it easy for your large group to give back to the community we love by scheduling a litter pick-up day that is convenient for you. All you need to do is select your volunteer coordinator and have him/her start the registration process by going to www.orovalleyaz.gov and typing KEEP OV BEAUTIFUL in the search bar [or click here](#). Town staff will work with the coordinator to identify a date and location for the litter pick-up. The Town will also provide safety vests, pick-up tools and trash bags. Once your pick-up day is complete, the Town will then collect and dispose of all the gathered trash the next business day. Picking up litter is a simple act of service with a tremendous impact. Please help us Keep OV Beautiful!

OVSafesteps awards more than \$720K to local businesses

Since September 2020, qualifying Oro Valley businesses have been applying for financial assistance and reimbursement through Oro Valley Safe Steps, a collaboration between the Town of Oro Valley and Oro Valley Chamber of Commerce. As of the April 1, 2021 application deadline, 215 local businesses right here in Oro Valley were approved to receive financial assistance, for a collective total of \$720,000. Some applications are still being processed and money will continue to be distributed to the businesses until funds are exhausted. Additionally, 194 businesses have made the OVSafesteps Promise to do their part to help protect our vulnerable populations, reduce stress on our healthcare system and keep our businesses open. A healthy community leads to a healthy economy.
