## Parks Master Plan public outreach

The Parks and Recreation Comprehensive Master Plan project is making great progress and we still want to hear from you! Progress updates will be presented to the Parks and Recreation Advisory Board on Oct. 20 and Nov. 17 via Zoom. Members of the public are invited to tune in and comment. Included in this project will be the development of conceptual site plans for Naranja Park, Riverfront Park, James D. Krieh Park, Steam Pump Ranch and the Oro Valley Community Center. These concept plans will be posted in the "Discuss" section of the Town's website in early December for public review and comment. Remember, this is YOUR plan, so please let us know what you think!
