Monsoon safety

"Desert Showdown" by Danilo Faria

Monsoon season is officially here, and we need your help making sure the Town of Oro Valley stays safe and clean during the summer rainy season. If you see any water quality/pollution or flooding issues, please contact the Stormwater Utility via phone at 520-229-4850 or via email at pw@orovalleyaz.gov. Make sure you and your family are prepared for the monsoon! Take a look at Oro Valley's Monsoon Preparedness Guide and sign up for safety alerts from the Town and Pima County. [Click here](#) or visit www.orovalleyaz.gov and type MONSOON in the search bar.

COVID-19 update

On May 21, the Town of Oro Valley changed its mask requirements for Town buildings* and as this newsletter went to press, the following guidelines were still in place:

Per the CDC and Pima County Health Department, individuals who are fully vaccinated are no longer required to wear a face mask in Town facilities. If you have not been vaccinated, we kindly ask that you continue to follow CDC guidelines by wearing a face mask and observing social distancing. We respect your privacy and personal decisions. As such, Town staff will not be asking people if they have been vaccinated. Instead, we will rely on the honor system, and hope that each person does their part to keep OV safe and healthy.

**The only exception to this guideline is the Magistrate Court, which is subject to guidelines set by the Arizona Superior Court and Supreme Court. Please check Court building signage for the latest guidelines.*

Meetings and events

As this newsletter went to press, the Town of Oro Valley was still conducting its public meetings

online while Council Chambers is being renovated. We anticipate that all Council, Board and Commission meetings will resume meeting in-person this September. In the meantime, the Town will continue providing various opportunities for public input via email, phone and video conferencing. Please [click here](#) or check the Town's website at www.orovalleyaz.gov to learn about upcoming meetings.

STILL NEED A VACCINATION?

Visit www.pima.gov/covid19vaccine, or call the Pima County vaccine information and registration assistance call center at 520-222-0119. Individuals who are home bound and need additional assistance can also call 520-222-0119.
