It is with great pride that I showcase the Oro Valley Police Department 2026-2027 Strategic Plan. This document serves as a guiding framework, outlining the core values and strategic priorities of the Oro Valley Police Department (OVPD) for the next two years. These values and strategies reflect the input and collaboration of not only the Mayor and Town Council but the entire Oro Valley community.

Oro Valley was founded, and continues to thrive, upon the principle of maintaining a safe and welcoming community. This commitment remains at the heart of our mission.

The guiding principles of the OVPD, shaped by the Mayor, Town Council, and the residents of Oro Valley, are as follows:

- Sustain and strengthen trust through community-centered policing
- Maintain an appropriately staffed police force
- Promote community safety
- Modernize public safety infrastructure

As we move forward with the implementation of this strategic plan, we will continuously monitor our progress and evaluate outcomes. This plan represents our ongoing pledge to provide exceptional service to the community, now and in the years to come.

I want to thank all the men and women of the OVPD who work tirelessly to combat crime and engage our beautiful community with courageous dedication and professionalism.

Sincerely,
