Re: Town of Oro Valley 2011 & 2012 Annual Stormwater Reports MS42002-26

Dear Mr. Parker:

The Arizona Department of Environmental Quality (ADEQ) has reviewed the Town of Oro Valley's 2011 and 2012 Annual Reports for the period of July 1, 2010 through June 30, 2012 and received by ADEQ on September 23, 2011 and September 25, 2012, respectively.

The Town of Oro Valley's 2011 and 2012 Annual Reports substantially comply with the Arizona Pollution Discharge Elimination System General Permit for Discharge from Small Municipal Separate Storm Sewer System to Waters of the United States (Permit No. AZG2002-002). Please continue to implement and update the SWMP as required by the permit.

The Department appreciates the effort in meeting the six minimum control measures to help protect our environment and looks forward to continuing to work with the Town throughout permit implementation in order to achieve program objectives. Please contact me if you have any questions regarding the Phase II MS4 Program (602-771-4449, [eed@azdeq.gov](mailto:eed@azdeq.gov)).

Sincerely,

Eileen Dunn  
Stormwater and General Permits Unit  
Surface Water Section
