The subject property is shown on the June 16, 2011 D-FIRM (Digital Flood Insurance Rate Map) Community - Panel Number 040109 (_____) as being in Zone _____ which indicates that

It should be noted that this determination applies only to the known, mapped sources of potential flooding. Other potential sources of localized flooding may exist.

NOTE 1: The National Flood Insurance Program (NFIP) recommends that flood insurance be purchased even if a residential structure is in a low- or moderate-risk of flood area. (For further information go to www.floodsmart.gov)

NOTE 2: The determination provided here may not represent the final decision on whether a property and/or structure is or is not located in the Special Flood Hazard Area. Lenders may undergo a flood hazard determination independent of this inquiry and the result of the lenders inquiry may not reflect the results found here. (For additional information see Oro Valley handout “Mandatory Purchase of Flood Insurance Requirement” and go to www.floodsmart.gov).
