### **IMPORTANT TESTER INFORMATION**

It is very important that this form be correctly completed and returned to Oro Valley Water within the prescribed period to prevent the customer from being inconvenienced by their water service being discontinued for non-compliance.

#### **PLEASE REMEMBER TO:**

1. Contact the customer and request to review the correspondence they have received from Oro Valley Water regarding the backflow assembly at this property. You will need this information in order to fully complete your test form.
2. Make sure that all the required areas are completed and filled out correctly.
3. Failure to comply shall result in Oro Valley Water returning the form to you and your customer will remain out of compliance.
4. A delay in processing the form due to your negligence will result in Oro Valley Water placing you on probation for failing to follow instructions.
5. Your certification can be revoked for your continued failure to comply with rules and regulations as set forth by Oro Valley Water.

### **IMPORTANT CUSTOMER INFORMATION**

This form must be filled out by the Tester and returned to Oro Valley Water within three days from the Compliance test date.

If the Tester fails to comply with this requirement your water service could be turned off for non-compliance.

Make sure you notify the Tester if you have received a turnoff notice from Oro Valley Water for non-compliance. This will alert the Tester to take precautionary measures to insure that your water service does not get turned off.

Please review the correspondence you have received from Oro Valley Water to ensure your compliance time to prevent water service discontinuance. Once your water service is turned off, we cannot guarantee restoration of water service that same day.
