Scholarships are awarded for designated recreational programs and activities, upon approval of qualifications. For more information or to apply, contact the Parks and Recreation Department at (520) 229-5050. Would you like to donate to the scholarship fund? You can now enroll online! Your Voice project coming together with help from residents!

As part of the *Your Voice, Our Future* project, three resident committees have been working hard to take your vision and guiding principles and help to make them a reality. Committee meetings wrapped up in April after members worked to shape goals, policies and actions for a draft plan of action. Now the project team is working on compiling their work for community review. This plan will guide the future of the Town for the next 10 years! Check out YourVoiceOV.com where you can join the community conversation and comment on the draft when it's published in late May. Contact project staff at YourVoiceOV@orovalleyaz.gov.
