

Want to save \$ on your water bill?

Sign up for AquaHawk Alerting!

AquaHawk Alerting is a FREE service for Oro Valley Water Utility customers that will help you efficiently manage your water use and lower monthly bills.

Register online to access your water use information, set water use thresholds and receive leak alerts.

AquaHawk ALERTING

AFTER YOU REGISTER, YOU'LL BE ABLE TO:

- Set your water use threshold and receive high water use alerts*
- Monitor your water use
- Manage water expenses
- Learn ways to save

**Customers must set leak thresholds to receive alerts*

CUSTOMER BENEFITS

- Know about leaks before they cause costly damage
- See exactly when and how much water your family is using each month
- Set billing and use limits, and never be surprised by a high bill again
- Access your account from any internet-connected device -- your smartphone, laptop or desktop computer
- Choose to receive alerts via email, telephone or text
