WELCOME!

As we cheer for our United States Olympians this year, I can't help but wonder how many of these athletes got their start, their passion, their first medal in a community park or pool. Oro Valley has high caliber facilities (fields at Naranja Park, tennis courts at Pusch Ridge, the Aquatic Center to name a few) where youth and adults train for the gold medal or for personal goals. This fall program guide provides highlights of these facilities as well as related programming. Moreover, I am excited to announce our newest program offering titled I Can Too! for young people with disabilities. Through the use of activity modifications and greater staff-to-youth ratios, participants will have the opportunity to play alongside their non-disabled peers in an inclusive environment. Program listing is on page 19.

Join me in cheering our Team USA athletes to bring home the gold!

See you in the parks!
