Presents

VIN Etching

The OVPD is sponsoring a Vehicle Identification Number (VIN) Etching event. VIN etching is a layer of protection that prevents the theft and quick resale of your vehicle. Your VIN number is etched into all major glass pieces on your vehicle. It has shown that several layers of protection help reduce the chance of your vehicle being stolen.

Date: Thursday, February 11
Time: 1 - 4 p.m.
Place: Oro Valley Police Department
Sun City Station
1171 E. Rancho Vistoso
