Fall 2016 Parks & Recreation Guide now available!

Whether it's karate, stand up paddle boarding, Wine and Paint Class, or Fall Nature Camp for the kids, the Fall 2016 Parks & Recreation Guide is your go-to source for everything happening in Oro Valley this fall, including special holiday events. View the guide online at www.orovalleyaz.gov or pick up a hard copy at the Community Center.

Also new this year is the *I Can Too!* Programming for young people with disabilities. Through the use of activity modifications and greater staff-to-youth ratios, participants will have the opportunity to play alongside their non-disabled peers. See pages 19 and 20 of the guide for full details.

Business Spotlight: The Tutoring Center By Dave Perry, President/CEO of the Greater Oro Valley Chamber of Commerce

When students come to The Tutoring Center, “they go on a little bit of a journey with us,” co-owner and tutor Raymond Smith says.

“And we go with them. Each child learns a little differently. It’s up to us to figure out how they learn.”

A free diagnostic test starts the trip for students ages 5-20. Five academic programs – math, two levels of reading, kindergarten preparation, and writing – along with four enrichment programs, are explored in a specially-designed classroom setting. Tutors never have more than two students during a non-judgmental, positive hour a week without grades and homework... but with rewards for good performance.

Students at The Tutoring Center can catch up, or get ahead. At the journey’s end, “our students will develop stronger academic skills, better concentration, focus and attention spans,” Smith said. “They’ll have more confidence, and stronger test-taking skills.”

And they’ll have fun along the way.
