* Traffic data delayed at least 30 days due to data entry backlog and may be updated with adjustments periodically; including the category "Written Warnings/Repair Orders".

Disclaimer: Numbers may show slight fluctuations when compared to previously published reports because of changes in the case data within the system due to normal adjustments. The more recent case counts are the most likely to fluctuate. Although this data may change slightly, it is as accurate as it can be for the data collected during this time period.

Due to the transition to a new system, warning/repair order information is unavailable at this time as some info may be duplicated.
