Trial Membership Guidelines

Trial golf memberships are a 12-month commitment. Golf memberships are non-transferrable. Cancellations require a 30-day written notice following fulfillment of a 12-month trial golf commitment. Valid to potential new El Conquistador Golf & Tennis members.* An annual cart package is required. Annual cart fees are subject to tax. Amenities limited to those specified above. Valid for one calendar year after purchase date. Limited to one (1) trial membership per household. Trial memberships do not receive a membership referral incentive, the golf promotion (15 months for the price of 12 months) or medical leave privilege(s).

The family membership consists of four (4) members. This may include: A spouse, partner, or significant other and children up to and including age 21. Members must live in the same house or attend college as a fulltime student.

We encourage trial golf members to pay for their trial golf membership and cart fees annually. You may also pay for your 12-month membership commitment bi-annually (January and June) or monthly.

Trial Golf Members agree to abide by all Oro Valley Community Center rules, regulations and policies. You understand and agree that your trial golf membership will begin on the date of purchase and will run for 12-months consecutively. You understand that this membership will automatically transition to the Full-Time Weekend Warrior membership for all subsequent years. You also understand that the Oro Valley Community Center – El Conquistador Golf & Tennis reserves the right to increase fees for subsequent membership terms by notification in writing 30 days prior to the start of the new membership term at your last known address.
