

About Pima Federal Credit Union >

Pima Federal is headquartered in Tucson, AZ and has been since 1951 when we were founded by 16 teachers from the Amphi School District.

We are a credit union that is driven by our company culture and common purpose of **helping others**. This is the credit union way and is evident in the amount of volunteer hours our employees have invested in the community over the years.

In addition to being a good corporate citizen, we are financially sound. Over the years, our credit union has grown responsibly to \$450 million in total assets (as of January 2015) while maintaining our 5-star rating by the nation's bank and credit union rating service (Bauer Financial) for almost 5 consecutive years.

Pima Federal Credit Union has 5 Tucson Financial Center locations, 1 Pima Federal Mortgage location and 1 Springerville location in Northern Arizona. The proposed Oro Valley location would give us our seventh branch location in Pima County. Over 52,000 members call us their Credit Union. We are focused on helping our members achieve their financial hopes and dreams, focused on improving the economic conditions of our surrounding communities and are in business to protect the safety and soundness of our member-owned assets.

Steam Pump Financial Center >

11025 N. Oracle Rd. Oro Valley, AZ 85737

The Steam Pump project is very important to us. Our plan is to build a financial center that doesn't just complement the neighborhood and the town, but also contributes to its success. We are committed to creating an open environment where our members and the community feel comfortable in this space. We'll be good neighbors by aligning and supporting community events and have already created great relationships with many organizations in the Oro Valley area.

Current Demographics in Oro Valley:

Pima Federal has over 3,000 Household Members in the Town of Oro Valley that already entrust us to handle their financial services. This amounts to over 6,000 members that will immediately benefit from a new location in Oro Valley. This accounts for 8% of Pima Federal's Households.
