

INVITATION TO TOUR TOWN OF ORO VALLEY OPERATIONS YARD

Dear Neighbor:

At the end of a very productive meeting on September 21, the Town agreed to coordinate a tour of our Operations Yard located at 680 Calle Concordia. After polling the interested parties we have selected the following date and time.

Location: 680 Calle Concordia
Date: October 15, Thursday
Time: 9 a.m.

We hope at this time to answer any concerns and questions regarding the operations of the yard. We have enjoyed the dialogue with our community and appreciate the area residents taking the time to discuss future alternatives and options with Town staff.

We hope you can join us for the tour. Please let me know through e-mail if you will be participating.

Sincerely,

Name
